

**PERSONALIZED GIFT CERTIFICATES ARE AVAILABLE**

Throughout the year we offer portrait shoots. The shoot can include riders and their horses as well as other pets, friends, and family.

The photos from the shoot are posted to a private gallery on our website with download access of low resolution files that can be used for social media and to share with friends and family. Included in the shoot each portrait client receives a 16 x 20 gallery mounted canvas. Additional photos can be purchased from the gallery at any time.

The fee for a portrait shoot is \$1,000.

This arrangement is based on no more than 4 horses. Additional horses can be included for an additional fee.

Thank you for your interest,  
Please contact James or Vicci with any additional questions.
