PROFESSIONAL PHOTOGRAPHY

Wedding Menu

“Champagne Dreams” This is the ultimate full day / evening wedding coverage , pre-ceremony (home), ceremony (church), formal and candid groups and families after the ceremony at a location of your choosing. Also included is full reception coverage. As an added bonus we will photograph your engagement session prior to the wedding and 1 -11x4 matted image for display at your reception, 50- custom photo thank you cards, and 1-11x14 custom framed wall portrait selected from your final wedding images. The final piece to round out this amazing coverage is two custom parent albums. (or may be substituted for a credit towards enlargements)
Also includes the digital files on DVD.

Without Album... **8000** / With Album... **10000**

“The Digital” This package is designed for a smaller single location weddings, where the ceremony, formals, and candid portraits would take place at a single location.
(Approx. 2-3 hour coverage, one location, includes the digital files on DVD, Online Web posting. No Album)

4000

Destination Weddings: Tropical or southern weddings are becoming more popular. When you consider the cost of a traditional wedding in many cases a destination wedding saves you money. We will accompany you on your destination and record all special events and be your documentary photographer, with or without album, digital files, & web posting all inclusive. As you can imagine the images created will take your breath away for years to come. Call us with your details for a free Quote.
