Casper
The House with a Clock in Its Walls
Into the Woods

## Wizard Watchlist

Harry Potter Series (1–8)
The Sorcerer's Apprentice
The Phantom of the Opera (2004)

---

### *My One Not-So-Not-Scary Exception*

**Sleepy Hollow* (1999) is rated R and much darker and more graphic than the rest of this list! I grew up with the story, so I know when a head is about to roll. I look away and don't look back until Ben gives me the all-clear!
