# OUR STYLE

My style is cinematic, story-driven, and emotionally honest. I use light with purpose and approach each session with an eye for detail, mood, and meaning. Whether it's a quiet moment or a joyful burst of energy, I focus on capturing real connection in a way that feels both artful and timeless. Every portrait is crafted to tell a story—yours.

# OUR PHILOSOPHY

I believe portraits should reflect more than appearances—they should reflect you. Every person has a story worth telling, and my job is to help bring that story to light with honesty, intention, and care. I guide the process while leaving space for real moments to unfold, creating images that feel both personal and timeless.

# OUR PROMISE

From our first conversation to the final delivery of your images, I'm committed to making this experience feel effortless, meaningful, and personal. I'll guide you with care, create space for genuine moments, and deliver portraits that reflect the best version of you—honest, beautiful, and lasting.

# MEET THE ARTIST

I'm Javon Longieliere—a photographer, storyteller, and lifelong believer in the power of a well-timed moment. With over two decades behind the camera, I've learned that the best portraits come from trust, connection, and a little bit of magic.

Whether I'm working with families, individuals, or children, my goal is always the same: to create images that feel honest, beautiful, and full of heart. I bring a calm presence, a love for light, and a deep respect for the stories people carry.

When I'm not behind the lens, you'll find me teaching other photographers, exploring new creative projects, or making memories with my son.

This work means the world to me—and I'm honored to share it with you.

# FAQ

## Will I Receive Guidance During My First Studio Photoshoot?

If it's your first time at a studio photoshoot, don't worry! I'm here to guide you every step of the way, ensuring you feel comfortable, beautiful, and confident. Together, we'll capture stunning images that showcase your best features, making for an unforgettable experience.

---

## What if I love the experience but I'm not sure I can afford it?

I understand that everyone's situation is different. What I offer is carefully crafted and intentionally limited, designed for clients who value high-end storytelling, heirloom-quality artwork, and a personalized experience. For those who need more flexibility, I do offer payment plans. If the work speaks to you, I'd love to explore how we can make it happen.

---

## Do I have to choose a package, or can I purchase products à la carte?

You're never locked into a package. While many clients choose a collection for the best value and cohesive storytelling, everything is also available à la carte. Whether you're looking for just a few statement pieces or something more complete, you'll have the freedom to create exactly what fits your vision.

---

## How Will My Images Be Used or Shared?

Your privacy is paramount. After your session, you'll have the opportunity to specify your privacy preferences in the session questionnaire, ensuring your images are shared only if and how you wish.

---

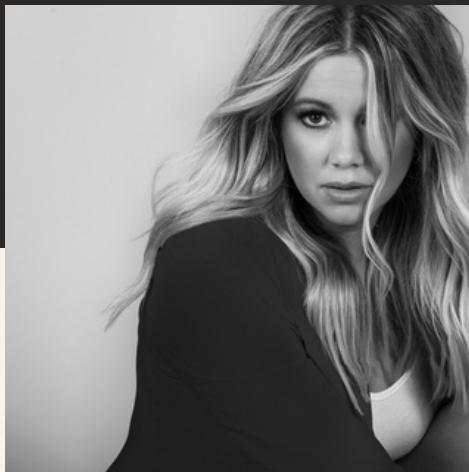

## Do you provide RAW files?

No, we do not provide unedited RAW files as they are considered unfinished product.

# “I enjoyed the experience and I love the photos”

After watching Javon and his talent in photography for many years I was thrilled to have him photograph me for my business. I have taken many pictures for different modeling shoots and ads over the years but none have quite been able to capture what I wanted...except Javon! He is second to none. I was very specific on how I wanted the pictures to feel when people saw them. After sending Javon my preferences on colors and ideas for the pictures he did more than just execute! I have never felt more beautiful. Javon made me feel at ease, he had great energy and helped coach me through the shoot. He has an awesome studio! I cannot wait for our next shoot together in the years to come! Thank you to Javon for all you do!
